TO THE BOYS . . .

another year is over, and again the students of Brookings High School have made us proud of our school. Last fall you fellows began the year right by winning all but three football games. Two of you played so well you were put on the all conference team. During basketball season with your help, we advanced to third place in the conference. Those of you who have not been in athletics have been busy doing other things. Your FFA chapter again was one of the most active in the state. You have helped to make our music department and our speech department outstanding. You've also been ready and willing escorts for the young ladies in our high school. Because you have done all these things, and many more, we dedicate our 1940 Bobcat to you.

TO THE GIRLS . . .

you have also come in for your share of fame and honors during the school year. Your Homemaking department took many honors at the district meeting. Besides working hard all year on GAA intramural games, you put on an excellent tumbling program for the assembly. If it were not for you the band, the orchestra, and the chorus would be without many of their fine musicians. You have been responsible for much of the success of the speech department. Our school paper has as its editor a girl, and many of you are on either the Bobcat or Broboca staff. You have been responsible for a greater part of the Brookings High School social life. Because you, too, have helped make us proud of our school, we dedicate our 1940 Bobcat to you.

Mr. Martin, the superintendent of Brookings Schools, attended Kansas State College and the University of Colorado. Our superintendent is an ever present counselor and adviser, and is to be found at all school functions. An active Rotarian, Mr. Martin was elected District Governor of that organization a year ago. Tennis and golf are 'J. E's.' favorite outdoor sports.

M. A. Lynott, Brookings High School's own "Professor Quiz," studied at Yankton College and the University of Michigan. Aside from his current diversion, the popular question and answer program, "Mike," who is principal in our high school, is a member of one of the downtown bowling leagues and an ardent ping pong player. During the summer we can find Mr. Lynott playing a better than average game of tennis and golf.

Pinky,
I sure like your clever
remarks and charming person-
ality.

BOARD OF EDUCATION

Our Board of Education is responsible for the progressive methods and high standards of our school. Each member knows and is interested in schools and in us. Each has at least one member of his family enrolled as a student in our system. Awe inspiring when assembled, they are really just human beings as individuals. We introduce them.

D. B. Doner, president, has served on the board for seven years. He serves State College as registrar. His family is represented in the Brookings schools by two sons: Dean, a junior; Keith, a member of the fifth grade. His favorite pastime is reading.

Mrs. Shea, mother of Brookings High's popular twins, Rebecca and Roberta, has served the board for eleven years. At present she is chairman of the committee on teachers. Flowers are her hobby.

Mr. Herbert Cheever is chairman of the finance committee and has served

on the board for three years. Besides his work as a banker, Mr. Cheever finds time for his pastime of bird study as a hobby. Eugene and Allen represent dad in school and can answer the question if anyone asks, "Why does Mr. Cheever prefer being photographed wearing a hat?"

For the past three years Ray Blauert has served on the board of education, and at present is chairman of the buildings and grounds committees. He is active in Kiwanis, likes to bowl, and has a grocery store as a side line. He has a son Bobby, now in the grades.

Mr. Hanson, who is an outstanding worker in the American Legion, works for an oil company, and also served on the board for three years. He has two daughters: Marion who is a senior; and Harriet, a freshman. Mr. Hanson is chairman of the supplies committee.

C l a s s m a t e s

From left to right, back row—Mr. Herold, Hugh Barnett, Mr. Daniel, Mr. Guy, Virginia Whitehead. Front row—Cecilia Moriarty, Miss Paulsen, Betty Peterson, Miss Guy, Mr. Horrigan.

There is an old saying, "advice is cheap," but we seniors feel that the help our advisers have given us this past year is priceless. With the assistance of Mr. Herold and Miss Guy our Class Night was one of the best ever held in B. H. S. Miss Paulsen and Mr. Daniel helped plan an interesting skip day and Senior breakfast. Miss Guy and Mr. Horrigan assisted us in selecting our announcements, flower, color and motto.

Confucius say, "It all depend, on how of-ficers their duties attend." The senior class, realizing the truth of the saying, entrusted the duties of guiding senior class activities to the following officers: pres., Hugh Barnett; v-pres., Betty Peterson; sec.-treas., Cecilia Moriarty; social chairman, Virginia Whitehead. These officers worked throughout the year with our advisers trying to make senior life more interesting for each member of the class.

The purpose of our Student Council is, "To direct the extra-curricular activities of the school, to consider questions relative to school welfare and to maintain and develop school spirit."

Our Student Council is composed of a representative from each home room and the president and vice president of the student body. The advisers are the principal and faculty business manager of the school.

This year a committee from our council arranged and planned all the assembly programs. Under this arrangement our programs for this year have been more successful.

BOBCAT FEATURES PICTURES

Early last fall the Senior class chose the two people who were to be editor and business manager of our annual. Dick Lott was selected as editor and Olin Gile, business manager. These two people, with the help of the Bobcat's advisers, Mr. Zick and Mr. Horrigan, chose the rest of the staff.

This year the School Board bought a camera for school use. Because of this, most of this year's Bobcat pictures were taken by the staff members.

The Bobcat, published by last year's Senior class, won third place in the class A division of South Dakota High School Press Association contest.

BROBOCA VIEWS THE NEWS

The Broboca, our school paper, is published weekly as a department of the Brookings Register. News is furnished to the Brookings Press by our assistant editor, Mildred Hemmingsen. Copies are issued to holders of activity tickets.

We sponsor the Publications Club, a new organization. Our staff attended the South Dakota High School Press Association at State College October 2, 1939. We actively participated in the departmental paper round-table discussion.

At this meeting the Broboca placed third among departmental papers of the state in schools with 200-499 enrollment.

The paper belongs to the Quill and Scroll, International Honor Society for high school journalists, and the South Dakota High School Press Association.

This year the Broboca, helped by other school organizations, inaugurated the first Red and Black week, October 30 to November 3, as an added pep feature for Bobcat Day.

MUSIC

Playing at the music festival at Huron, the annual music concert and athletic contests, our sixty piece band, under the direction of C. E. Franklin, has completed another successful year.

Requirements for membership in the organization were more rigid this year than before. During the fall we were each required to play a solo before the combined group of orchestra and band members. Our seating arrangement was determined by a music test which we had to take every six weeks.

Our pep band, which represents us at pep meetings and our out-of-town games, is selected from the regular band. We play under the direction of Mr. E. H.

Case. Our pep band attended two out-of-town games this season. Our uniforms consisted of red shirts with "Pep Band" lettered on the back. We wore these with black skirts and trousers. This is the first time our pep band has had uniforms.

Clarinets—R. Harding, J. Moriarty, V. Whitehead, Z. Frie, G. Olson, D. Hayes, N. Niklason, H. Hanson, V. Russell, W. McCarty, B. Ray, R. Eken, R. Murphy, J. Berge, E. Anderson, H. Harper, J. Johnson.

Our orchestra of sixty-three members, directed by C. E. Franklin, has completed another successful year.

The aim of our music department has always been to raise the standards of the organization to a high level. In order to develop poise for group activities and create a greater interest in study, we each played a solo before the band and orchestra members this fall.

We began our public appearances in December playing at a vesper service. During the winter we put on a short program for two civic clubs. Our efforts during the season were centered to the greatest extent on music for the festival and spring concert. In order to obtain funds for these

events we sponsored, with the other organizations of the music department, the "Rufus Rose Marionette Show" in December. Our pit orchestra is composed of members from the regular orchestra. We played at P. T. A., high school plays, and at some other events during the year.

Our 150 voice chorus has just completed a most successful season. Our major events were participation in the Christmas candle lighting service, the spring concert, and the Huron festival. The chorus under Mr. Heath consisted of girls only and the chorus under the direction of Miss Brewer is a mixed group. Because of a limited seating space, the maximum number in the festival chorus had to be 110.

A select girl's chorus chosen from Miss Brewer's chorus met once a week.

A boy's chorus was also selected from the mixed group and

sang at the Candle Lighting service and the spring activities.

SMALL ENSEMBLES ORGANIZED

The string quartet was organized in 1937. The quartet is composed of Frances Krueger and Phyllis Dokken who play violins, Dean Doner, the viola, and Betty Peterson, the cello. For the last two years this group has won a superior rating in the District Music contest and they entered again this spring.

Organized only this year, the woodwind quintet consists of Marion Hanson, oboe; Harriet Hanson, clarinet; Margie Hubbard, bassoon; Ruth Norgaard, flute; and Marian Hall, French horn.

The clarinet quartet is the other ensemble which entered the District Music contest. Playing in this group are: Ruth Harding and Virginia Whitehead, clarinets; Donna Mae Kennard, bass clarinet; and Betty Peterson, alto clarinet.

The brass sextette is another new organization. The members of this group are Robert Sexauer and DeVern Fromke, cornets; Helen Schilling, French horn; Doris Christensen, trombone; Roberta Shea, baritone; and Carmen Skretting, tuba.

MELODIES FROM THE STARS

Our L'Allegro Club is an honorary music society for girls. The membership is selected by Miss Brewer, the vocal director. This year's twenty-nine members were chosen from the entire vocal department. The purpose of our L'Allegro is for special program singing.

Practice is scheduled for Mondays and Wednesdays of every week from four to five o'clock. Miss Mauch accompanies our group at the piano.

We participated in the outstanding musical events of the year. In the annual Christmas Candle Lighting Service, held December 21, we featured a number of secular songs introducing the Christmas

Spirit. We also gave a Christmas program for the assembly. Our greatest efforts were spent on the Spring Music Festival and Concert. These activities were the high spots of our successful season. Because the Spring Festival date, April 19, was also the date scheduled for the district contest, our club did not enter in the high school music contest this year.

HERE COME THE MAJORETTES

The baton-twirlers of Brookings High School have put in a very successful year. Our drum-major, Ronald Peterson, has shown his classmates and the citizens of Brookings some very fancy strutting and baton-twirling between the halves of football games and in parades. Six majorettes helped Ronald put on the spectacular performances. The majorettes are: Elaine Kleinsasser and Coral Kukuk, sophomores; Priscilla Hill and Donna Dyste, juniors, and Marian Hall and Dorothy Morrison, seniors. Ardis Jackson, our baby majorette was a popular attraction which added to the success of the group. The majorettes were

instructed by Paul Tulga, former drum major of B. H. S. Our major and majorettes appeared before us on the screen in a newsreel, taken by Paramount Studios during Hobo Day. Priscilla and Elaine led the Brookings County 4-H club band at the State Fair in Huron.

A lot of credit is due our band. They have worked very hard in school and out, to help make our activities more interesting. The formations made by the band during the football season were worked out by Mr. Franklin and Ronald. Two of the formations made on Bobcat day were the "B. H. S." and the figure "arrow" for Pipestone.

DECLAMS SPEAK FOR A CUP

The declamatory division of our speech department gives an opportunity for helpful instruction to those students who are interested in a particular type of speech but are unable to take part in class.

On November 16 our declamatory group held an elimination contest in our high school auditorium. In our oratorical division Margie Hubbard defeated Shirley Graham with "The Arm of the Law." The poetry division encourages a talent for interpretative reading. Doris Schilling, who read "The Highwayman," rated over Mildred Hemmingsen in this section.

Helen Schilling won the laughs when she competed with the humorous selection "Oh No" against Orpha Sandbeck.

John Woodruff's dramatization of "The Coward" gave him a rating over Rebecca Shea. This section is for the purpose of bringing out individual dramatic talent.

The winners of this contest participated in district competition at Bruce, where they tied with Bruce, each school winning a cup.

Doris Schilling rated a superior in the poetry division and was qualified to enter the divisional contest at Dell Rapids where she rated an excellent with her selection.

Mr. Wilson, our debate instructor, coached the oratorical entries; Miss Hampton, who has charge of the declamatory section of the speech department, coached the humorous, dramatic, and poetry students.

THEY REALLY GO PLACES

"Resolved: That the government should own and operate the railroads.", proved to be a very interesting question for our debate squad this year. Two hundred students entered the season and after a gradual elimination we had sixteen debaters left to take part in interscholastic competition.

Donna Dyste, Mary Deane, Coral Kukuk, Mark Minier captured second place at the Arlington tournament early in the season. At the Northern Normal Tournament, Vern Martin and Marion Hanson completed four rounds undefeated. Marion Hanson and Mark Minier went to the finals of the divisional tournament, losing to Watertown after winning from Volga and Erwin.

Our debaters participated in tournaments at Vermillion, Sioux Falls, Gustav-

us Adolphus College, Minneapolis, New Ulm, Mitchell and Madison. During the season our teams competed in two hundred debates with schools from South Dakota, Iowa, Minn., and Wis.

Mark Minier, original orator, won fifth place among twenty-nine speakers in the Four-State meet at Vermillion and placed second in the divisional.

Thirty freshmen enrolled in the extracurricular debate, but at the end of the season the group had diminished to eight. These eight participated in several interscholastic non-decision debates at Arlington, Madison, Sioux Falls, Volga and Watertown.

Our adviser for our upper-class squad was Mr. Dwyte Wilson, and for our Freshman squad, Miss Eleanor Page.

THE ACTORS HAVE A CLUB

We, as members of the Dramatic Club, have set our goal to further interest and develop dramatic talent in our high school. To become a member of this club a student must have earned 100 points either through taking part in a play or by assisting on the production staff.

The Dramatic Club has always been an outstanding club in that it offers such interesting programs. This year we were especially fortunate in having several authorities speak to us on the subject of current events. We subscribe to "The Thespian," a national high school dramatics publication. At each meeting some member gives a review of several of the more interesting articles in the maga-

zine. In the January issue a picture of last year's All-School play was printed.

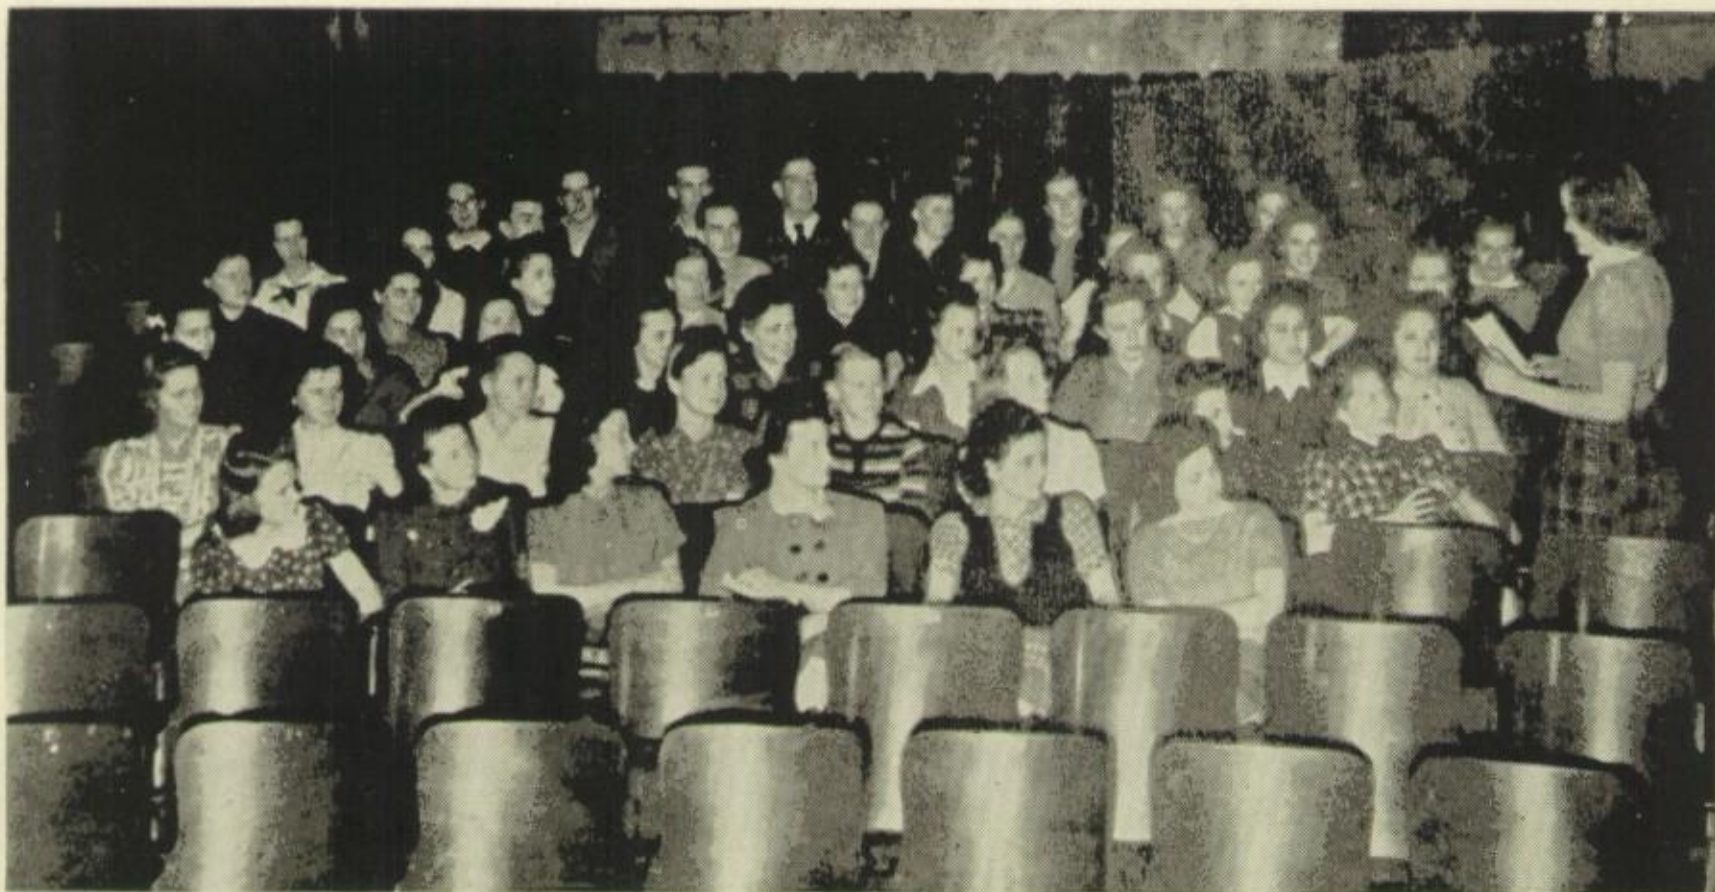

Before our Christmas vacation we sponsored the annual Masquerade Ball. Balloons, confetti, costumes, masks made this a gay affair. Prizes were awarded for the best costumes. Cecilia Moriarty and Walters McCarty received the prizes for the most original costumes, and Arnold Hoerber was awarded the prize for the funniest.

Miss Frances Guy, the new dramatic instructor, was our adviser this year.

MORES POPULI ROMANI STUDEMUS

Our Latin Club of 54 members meets for the purpose of gaining a more thorough knowledge of Roman life. Each student must have completed one semester of Latin before he may become a member of the club.

Following the customs of the Roman State, the membership of our club is divided into two groups. First-year students are in the Plebeian class; advanced students are in the Patrician class.

Although our meetings are held in English, we mimic the Roman Republic in our form of government and our study. Our officers bear the titles of the Roman officials. Our formal meetings are Roman in nature.

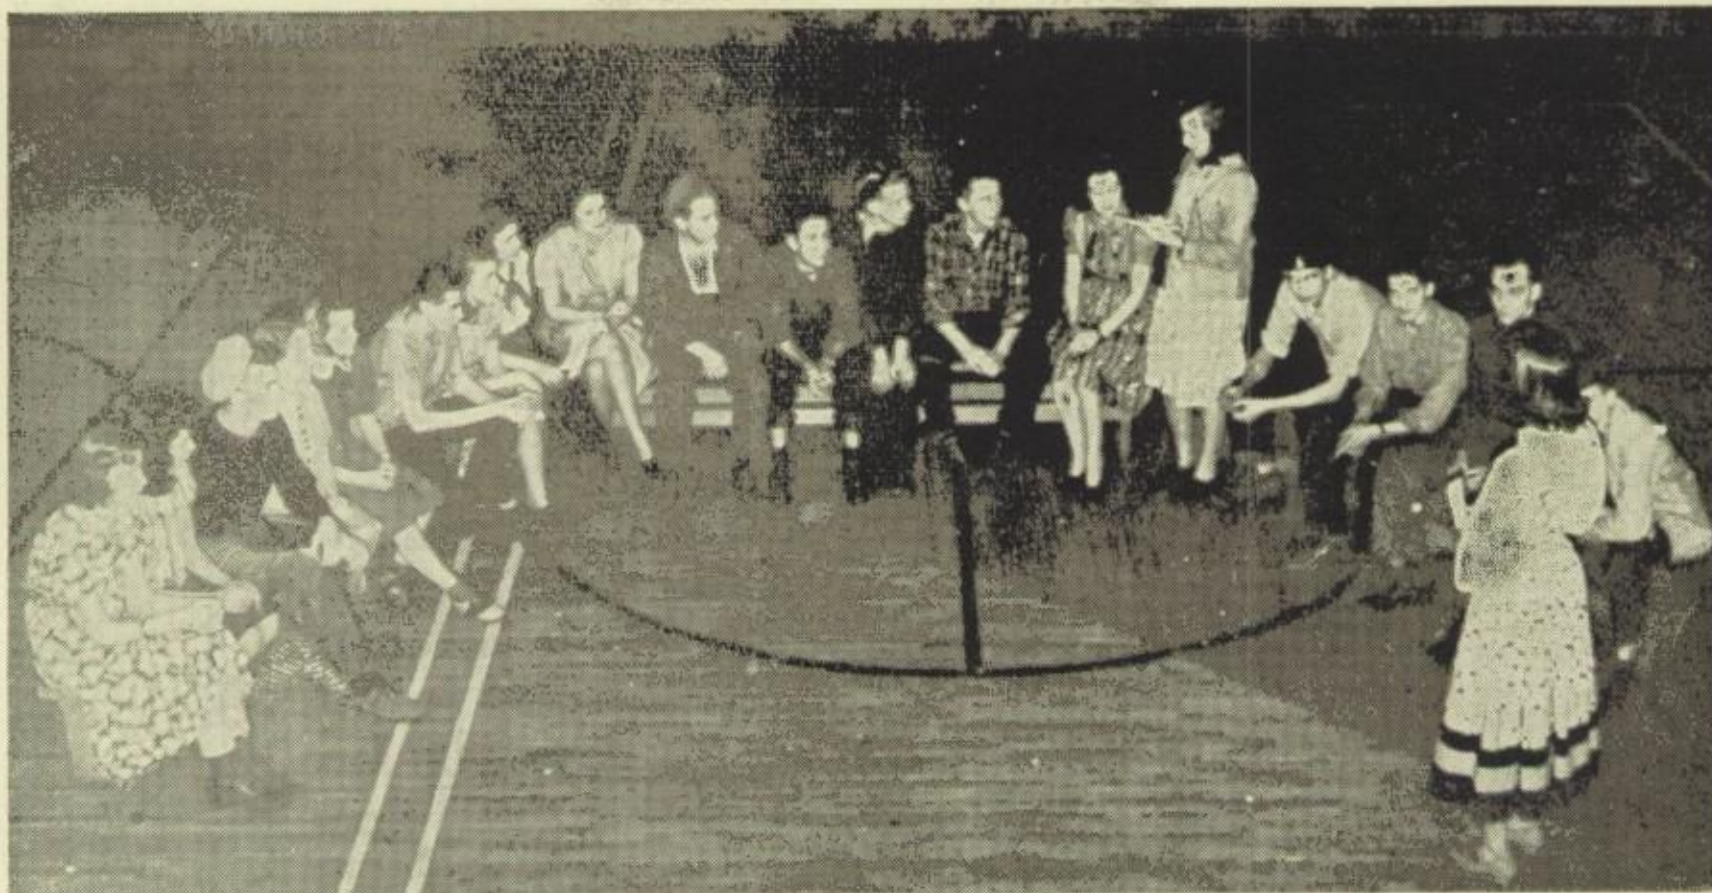

This has been our biggest season both in meetings and membership. Our club

year began with a gay roller skating party. According to our constitution we elected new officers at our second meeting. Initiation was held at our March meeting at which time twenty-five new members entered the organization.

Each year our highest ranking freshman student is awarded a pin. This pin bearing the words "Pro Merito" signifies skill in translation and a thorough knowledge of many Roman customs. This year the award was presented to Elma Tulga.

NOUS ETUDIONS VIE DE FRANCE

Our French Club, of 25 members under the sponsorship of Miss Eva Bucknam, has its meetings on the third Tuesday of every month throughout the school year. The purpose of the club is to create and stimulate an interest in French life and customs.

Programs for the club consisted of travel-talks by different local persons. Mr. E. R. Bartling gave an interesting talk on his trip east, and Prof. Carl Christensen talked to the group on his trip to Europe. Musical solos, reports by members of the club on different phases of French life, and active entertainment such as games and folk dancing were enjoyed by the members.

Our biggest undertaking this year was the French Club Sweater Dance, which we sponsored last fall. The dance, given

as a get-acquainted-party for the students, proved most successful.

The club subscribes to "Le Petit Journal" a French newspaper consisting of a variety of material clipped from the daily French newspapers.

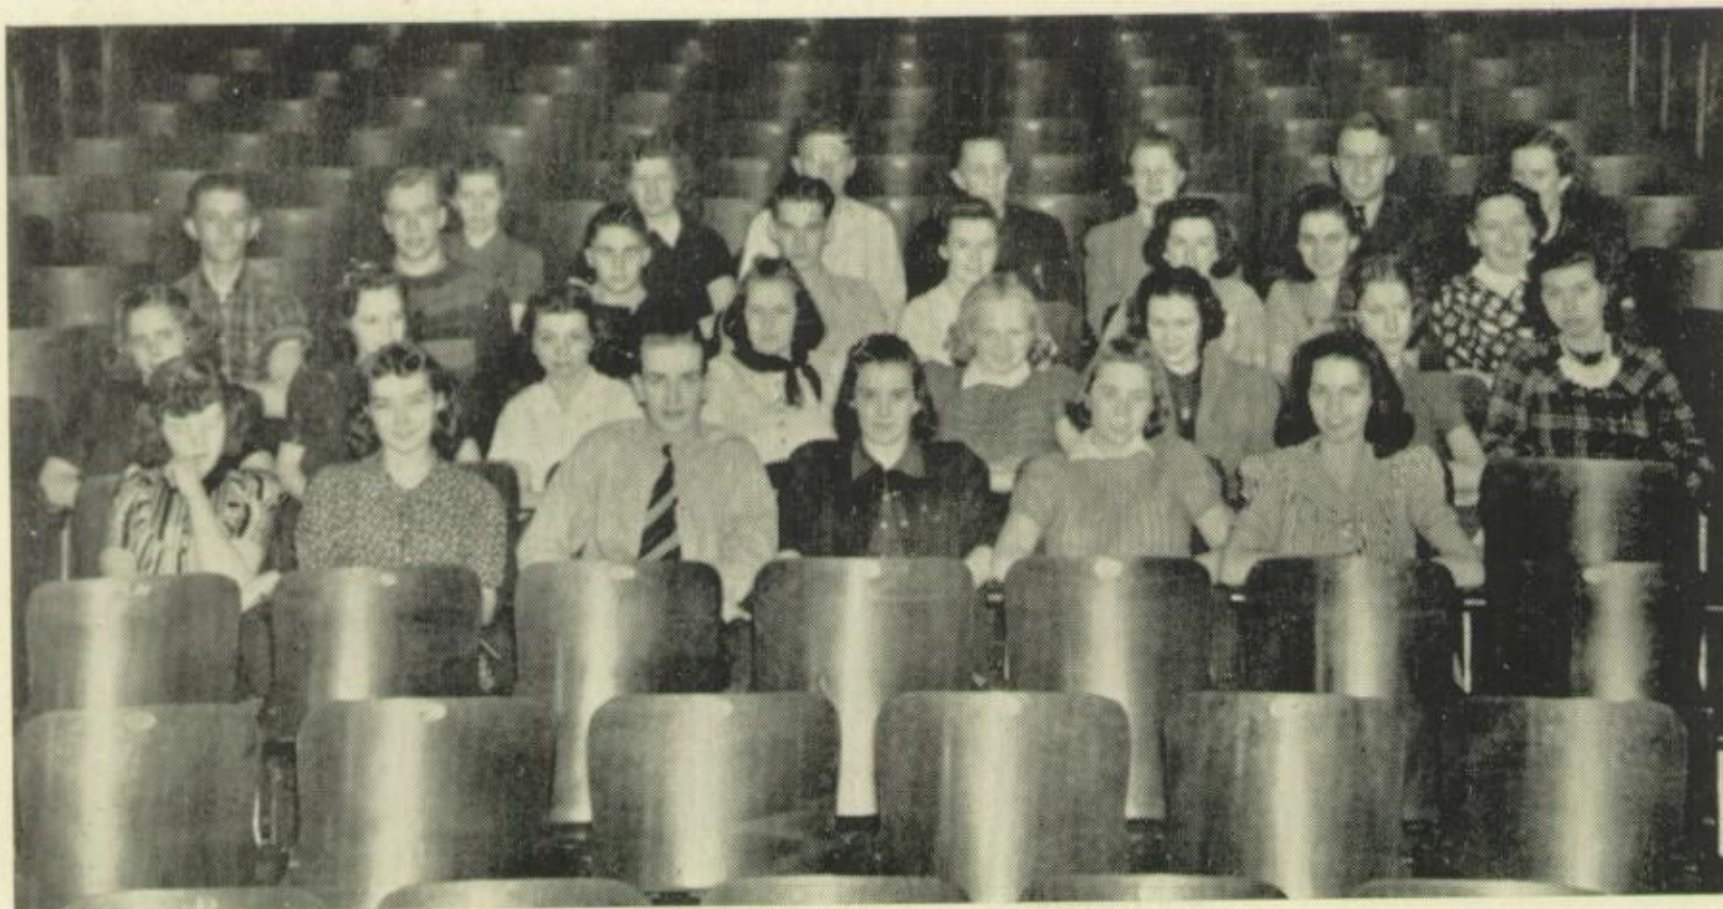

Some of the members have corresponded with French high school students of their own age; however, the war situation has greatly interfered with correspondence this year.

The officers of the club are:

President	Margaret Trygstad
Vice President	Walters McCarty
Secretary	Wanda Stime
Treasurer	Ruth Norgaard

All but the treasurer are chosen in the spring. This office is filled in the fall by a new first year French student.

A NEW CLUB COMES TO LIFE

The Publications Club, a new organization this year, is composed of members of the Broboca and Bobcat staffs and any other students interested in any phase of journalism.

We organized this group with this idea in mind: to aid students in solving their journalistic problems. During the year we were very fortunate in having several speakers who are noted in the field of journalism. These journalists aided us by answering our many questions regarding this subject.

Several members from this organization attended the South Dakota High School Press Association convention at the college and took an active part in the round-table discussions of editing papers and annuals.

At the February meeting we initiated six new members into the Quill and Scroll, an International Honor Society for High School Journalists. These students were Dean Doner, Donna Dyste, DeVern Fromke, Shirley Graham and Dick Lott.

Some of our club activities during this school year were helping to sponsor the Red and Black pep feature for Bobcat Day, and our journalism picnic.

MONOGRAM SPONSORS I-M GAMES

Our Monogram Club consists of boys who have earned their letter in football, basketball, track, golf, tennis, or who have been manager of a team. The object of the club is to sponsor clean athletics and build up a more friendly relationship between athletes. The boys in our club help to promote school spirit by wearing their monogram sweaters at least every Friday and assisting at pep meetings. We also furnished ticket sellers and ushers for the basketball games.

The boys have complete charge of the school's intramural program and it is their duty to referee, keep score, sponsor tournaments, and see that their activity is properly carried out. Those who have charge of the different sports are the following: Basketball, Jim Grommersch, John Nelson; Hockey, Howard Morrison;

Volleyball, Tom Crusinberry, Pat Turner; Boxing, Earl Tillgren; Wrestling, Tom Durland; Kicking Contest, George Patterson, Vincent Swift, Pat Turner; Free-throw Contest, George Patterson, Stafford Steen.

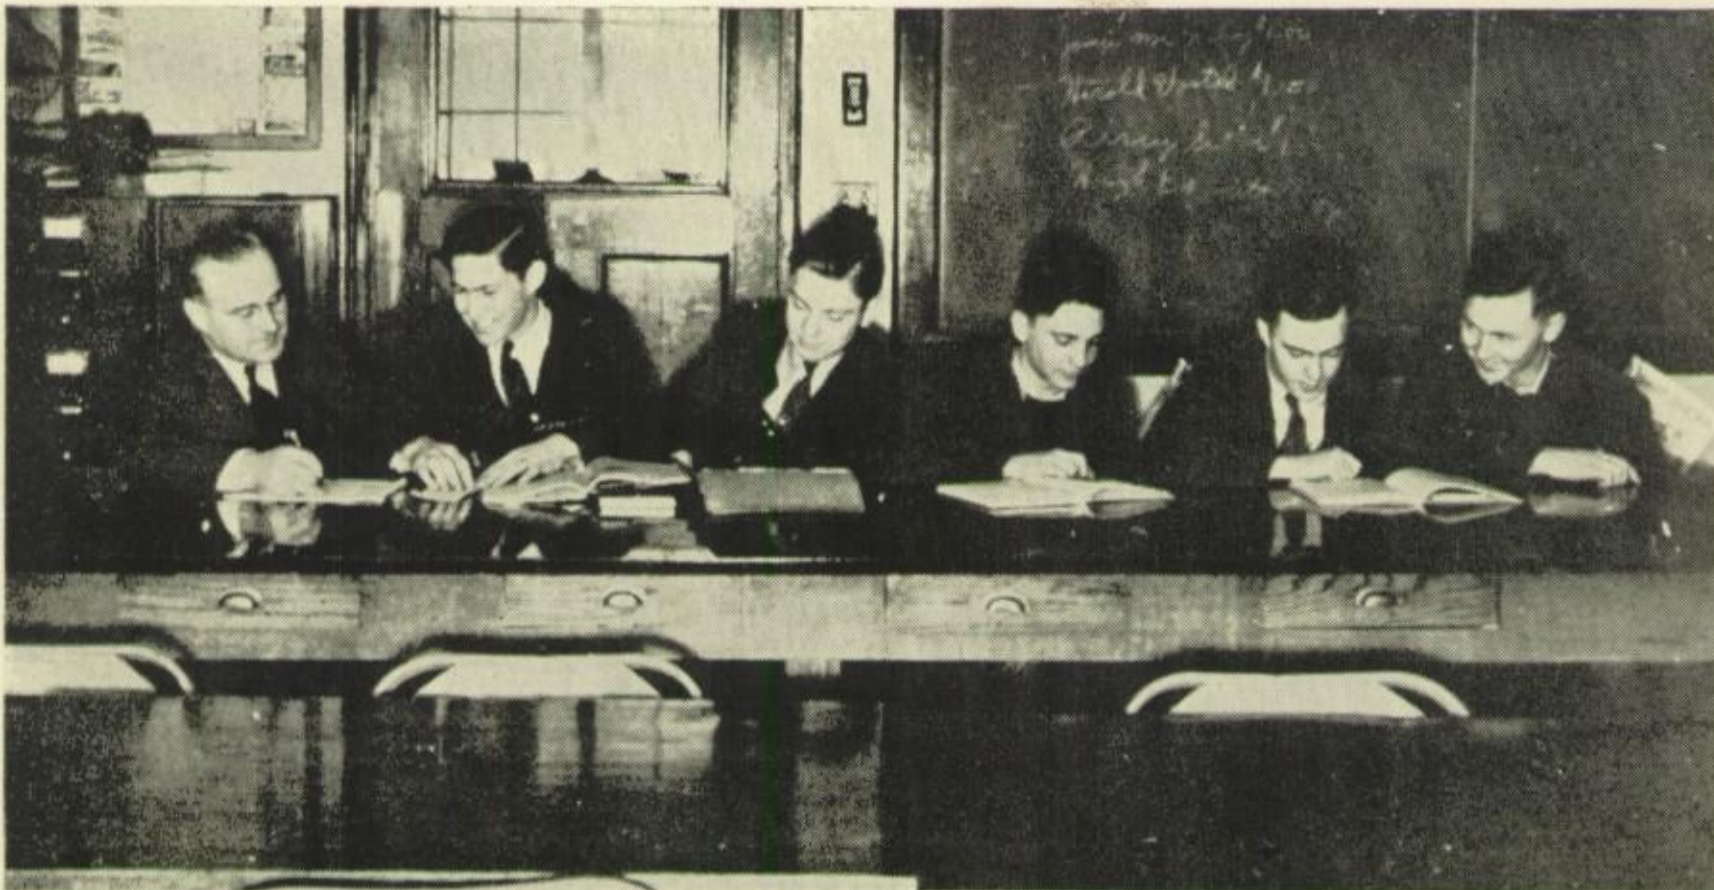

In connection with the free throw contest each year, our Monogram Club sponsors a tournament. The final elimination this year took place between halves of the Brookings-Sioux Falls game when Ivan Steen won from Harlan Kelly.

The officers are: President, Clarence Sturdevant; Vice President, Eugene Waltz; Sec.-Treas., Tom Crusinberry.

Coach Max Lynn is general supervisor of the club, while L. D. Horrigan, Virgil Bell, and Vernon Doering are honorary members.

FFA HAS OUTSTANDING RECORD

The Brookings chapter of FFA, having more than seventy active members, is the largest in South Dakota.

National honors were given our chapter for the third consecutive year, and with it a cash prize of \$15 was received as a reward for carrying into completion a program featuring activities in supervised farming, cooperation, community services, leadership, scholarship, and recreation. Community activities are broad in scope as shown by participation in the Crop Improvement Association and

the County Conservation League.

American Farmer degree, which is the highest attainment for an FFA boy, was awarded to Owen Nagel. This year's candidate is Hugh Barnett. State Farmer degrees were awarded last year to Tom Durland, Hugh Barnett, Rolland Vanderluis and Lawrence Kurtz. The 1940 awards went to Olin Gile, Percy Sutton, Leslie Thomsen, Calvin Steen.

HOMEMAKERS HAVE BUSY YEAR

"As our girl-hood is now, so shall our woman-hood be," is the motto of our Homemaking Club. A fitting topic for our club this year was "Social Obligations and Situations."

On October 18, forty-five of our club members attended the District Rally in Volga. At this rally, Mary Connelly, our president, was elected district president, and Marjorie Wheeler, our treasurer, was elected district reporter.

At this rally an original play written by a group of girls and directed by

Patricia Murphy placed first while the club song rated second.

A number of teas, a valentine party, a state rally dinner, and an unusual style show with a cast of boys highlighted the club's activities.

TO WRITE A BETTER LETTER

Over half the students in our high school are taking work in our Commercial department. Sophomores may elect General Business Training, which is a broad survey of all business activities. Shorthand and Typing I are given in the junior year for those who wish to discover their interest and ability in stenographic work. Commercial Law and Commercial Arithmetic are semester

courses available for juniors and seniors. Bookkeeping, a one year course open to juniors and seniors, covers both the personal uses and the vocational methods.

Advanced students may elect Secretarial Practice. This helps students to increase their speed in dictation and transcription; it gives experience in filing and other office duties. Students graduating from this course are prepared to efficiently do general office work.

The Physical Education department is headed by Max Lynn. Max received his B. A. degree at Parson's College and his M. A. degree at Columbia University. While in college, Mr. Lynn participated in basketball and baseball for four years and track and football for three years.

L. D. Horrigan coaches our "B" squad athletes. "Doc" is a graduate of South Dakota State College. While attending college he earned two letters in basketball. He formerly coached at Elkton.

V. A. Bell has charge of freshman basketball and assists in "A" football and track. Virg studied at Northern State Teachers college where he won three letters in football. Mr. Bell has done post-graduate work at SDSC.

Physical education in the junior high is in the hands of Vernon C. Doering. "Pete" is a graduate of Augustana College where he won four letters in football, four letters in basketball, and three in baseball.

"A" GRIDDERS WIN MAJORITY

Brookings—6 Tracy—6

For the first game of the season we journeyed to Tracy where we met a strong Minnesota eleven.

Billings ran 70 yards for the first score and in the fourth quarter we drove to the 3 yard line but were unable to score.

Tracy scored in the final period.

Calvin Steen, Jim Grommersch and Gene Waltz played outstandingly.

Brookings—19 Milbank—7

Two rapid-fire touchdowns in the opening frame and one in the second gave us a victory over Milbank in our first home game.

Our line outcharged Milbank's and opened holes for 'Budd' and 'Mac' from our own ten yard line to a touchdown.

Milbank's tally came late in the final quarter when a desperate pass was completed in the end zone.

Brookings—25 Flandreau Indians—0

Tom Durland blocked and recovered a kick to start the scoring when the Bobcats trounced Flandreau Indians 25-0.

A fake buck and a lateral to Billings scored in the second period.

In the third period an attempted punt by the Indians and a pass by the Bobcats accounted for the remaining scores.

Brookings—6 Huron—7

Playing the best defensive ball of the season during the first half, the Bobcats held the Tigers to one first down but had their gains nullified by three blocked punts.

Perfect blocking paved the way for a 60-yard punt return for the Bobcats score. We held the Tigers on the 1-foot line, but a blocked punt enabled them to score.

Brookings—0 Yankton—7

Next we journeyed south to meet the strong Yankton Bucks for our second conference game. The Bucks scored a surprise touchdown in the first five min-

utes, which was enough to cinch the game. For the next three quarters the Bucks and the Bobcats fought on even terms, but neither was able to score.

Brookings—6 Watertown—13

Long runs and thrills featured the exciting game with the heavy and highly favored Watertown Arrows.

A 40-yard run by Brookings and a 50-yard run by Watertown tied the score at the half.

Outstanding defensive work was shown by all linemen, especially Dick Lott, scrappy center and Clarence Sturdevant, guard.

FUTURE BOBCATS ARE TOUGH

Brookings—14 Mitchell—0

We showed the power expected of us by defeating the Mitchell Kernels for our first conference win.

Earl Tillgren intercepted a pass and lateraled the oval to Wayne Steen who ran to the 15-yard line. Crusinberry scored from the six yard line.

Sterud and Durland stopped Mitchell's only threat on the two-yard line. Billings picked up a punt and ran 85 yards for the final score.

Brookings—14 Pipestone—0

We continued our winning streak with a homecoming win over the Pipestone Arrows. The fireworks broke loose when Bob Fleissner blocked an Arrow punt and Gene Waltz, alert end scored. A pass set the stage for the next score when McMillan plunged over from the 1-yard line.

Brookings—48 Madison—0

We climaxed our 1939 season at Madison with a 48-0 victory. Although the Bobcats started poorly, toward the last of the second period, they pushed over a score and followed it up shortly before the half with another. This started a scoring spree led by Loren Niklason, Vincent Swift, and Forrest Simmons.

About 40 of our boys reported to Coach Horrigan and his assistant Doering for their first practice September 6.

The purpose of our "B" squad is twofold; namely, to prepare boys for our "A" squad and to give many boys football experience that they would not otherwise get.

Our "B" squad started the season against a strong Volga team and although they played a very good game, they were defeated by a score of 12-0.

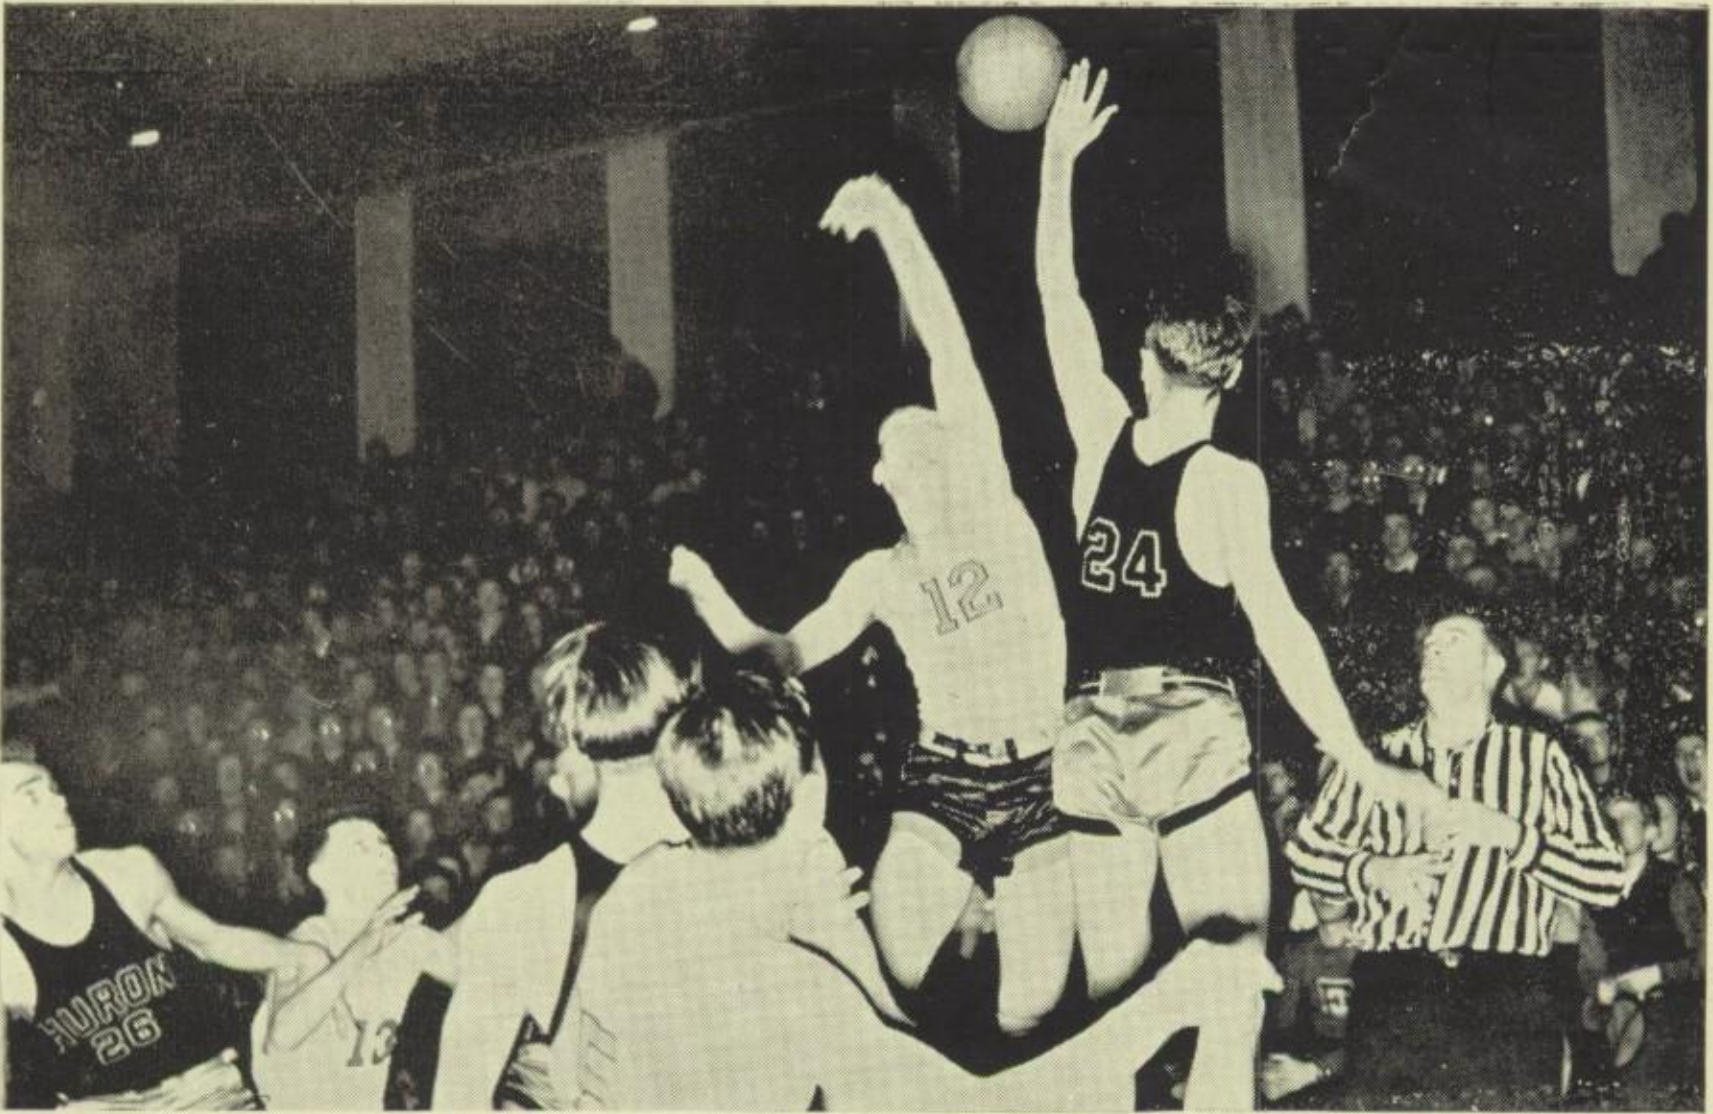

The Bobkittens next met Madison's "B" team and although they played an outstanding defensive game Madison scored on a blocked punt and won 6-0.

In the game with Clear Lake the kittens hit their stride both on offense and defense and won 41-0.

In a return game, Volga managed to eke out a 12-9 victory over the Kittens.

In the second game with Madison "B", Brookings turned the tables and handed them a 13-6 defeat.

The Bobkittens played a good game to defeat Eastern High 22-6 in the climax.

The Bobcats defeated the Flandreau Indians 34-21 in our first game of the season. The Bobcats next met Tracy and emerged with a 25-14 victory after four quarters of furious basketball in which all members of the Bobcat team took part. For our first conference victory we whipped the Madison Bulldogs 26-22 and followed it up with a 33-31 overtime victory over Cathedral High at Sioux Falls.

Starting the New Year out right, the Bobcats came through with their second consecutive win over the Alumni by a score of 33-18. The Bobcats continued their wins with a 32-13 victory over Redfield; but struck a snag at Aberdeen, where they lost their first conference game 31-21. Returning to winning form, the Bobcats journeyed to Watertown and whipped the strong Arrows 23-21 in our second overtime game. Our next victory was a 20-18 thriller over Huron.

We suffered our first loss to a non-conference team when Eastern High of

Madison finished on the long end of a 30-27 score. We lost our second conference game to a strong Sioux Falls team by a score of 27-32. Meeting Cathedral High for a return match, the Bobcats again defeated them. This time by a score of 32-29. In another close game with Huron we staved off a lost minute rally and beat them 24-22.

The Bobcats were repaid for an early victory when the Flandreau Indians defeated them 31-19. We then journeyed to Madison and overcame the fighting Bulldogs 30-28, but in the next game fell before a strong Yankton team 41-33. In a return game with Yankton the Bobcats gained revenge by whipping them 25-22, but on the next night lost to the Sioux Falls team 27-24 as a result of a disastrous third quarter. The Bobcats closed their conference season with a 38-34 victory over Watertown, and finished the regular season by defeating Eastern High of Madison 31-21.

BOBKITTENS ARE CHAMPS

The "B" squad basketball team, under the supervision of L. D. Horrigan, finished it's most successful season by winning fourteen out of nineteen games. This included all six of their conference games, to enable them to tie for first place in the Upper Sioux Valley Conference.

Letters were awarded to the "B" squad for the first time this year. These were the same as the regular athletic monograms but for a small interwoven "2". Letters were awarded to Helsman, Hanson, Chester, Otterness, Moriarty; and Crusinberry; while Swanson, Stevens, Hammond, Buckley, Mills; Chervenka, Schaffner, composed the rest of the squad. The regular manager's letter was awarded to W. Johnson. Helsman, Hanson, and Chester all received all-conference recognition.

At the end of the season the Kittens won an invitational schedule held here in which Arlington, Madison, Flandreau, and Brookings "B" squads competed.

They defeated Flandreau 30-22 and Madison 34-21.

Following is the season record:

1940 CINDER PROSPECTS GOOD

The Bobcats started the 1939 season by winning two dual track meets. One was with Pipestone here and the next one with Madison there. Next came the Dell Rapids track meet and the Aberdeen Relays, followed by the Estherville Invitational meet in which we placed fifth. In this meet Bob Stewart copped first in the shot-put while the football relay team also placed first to win a trophy.

In the Region III meet here, in which Vincent Swift set a new record in the pole vault, the Bobcats finished third.

In the State meet at Aberdeen, Swift and Stewart placed third in the pole vault and shot-put respectively.

In the conference meet at Huron, Earl Tillgren placed first in the high jump,

Vincent Swift captured second place in the pole vault, Stewart earned a place in the shot-put and our half-mile relay team placed fourth to enable the Bobcats to finish the meet in sixth place.

The Bobcat "B" won first in the Upper Sioux conference meet.

The following boys received Monograms at the end of the 1939 season: Swift, Stewart, Tillgren, McMillan, Jones, L. Engel, G. Sundet, P. Johnson, Kurtz, T. Crusinberry, L. Niklason, Bishman, H. Niklason, Westergard, F. Simmons, and Billings.

The 1940 track season began when 70 boys reported to coach Max Lynn. Ten of these boys were letter men returning from the previous season.

McMillan, Beals, Nelson, Durlana, Schrader, Mr. Bell, Sundet, Seas.

200 IN INTRAMURAL SPORTS

About two hundred boys participated in our intramural program this year. This program gives those boys who are not capable of playing on the A or B squad a chance to participate in different sports and earn their physical education points.

A senior intramural basketball team captained by George Sundet defeated another senior team headed by Dick Lott for the intramural basketball championship. For the first year the members of the championship team were awarded medals.

At the close of the football season, kicking contests open to all boys were sponsored. Swift, Patterson, and T. Cru-

sinberry won the different divisions and were awarded medals.

In the free-throw contest Ivan Steen won from Harlan Kelly in the finals.

About thirty-five boys took part in a newly organized boxing tournament engineered by Earl Tillgren. Every weight was represented and the winners in each division were awarded medals.

The freshman basketball team, under Virgil A. Bell, had a most successful season by winning five out of seven games from Coach Doering's junior high team and by breaking even in a two game series with the Madison freshmen. Members of the squad were: Adamson, Martin, Hill, Graham, Kelly, Johnson, Heslop, Niklason, and Watson.

GAA PROVIDES VARIED SPORTS

To exemplify those things which we gain by participation in athletics, we GAA members have two principal awards: a monogram, presented to those who have earned one thousand GAA points and a gold medal given for two thousand.

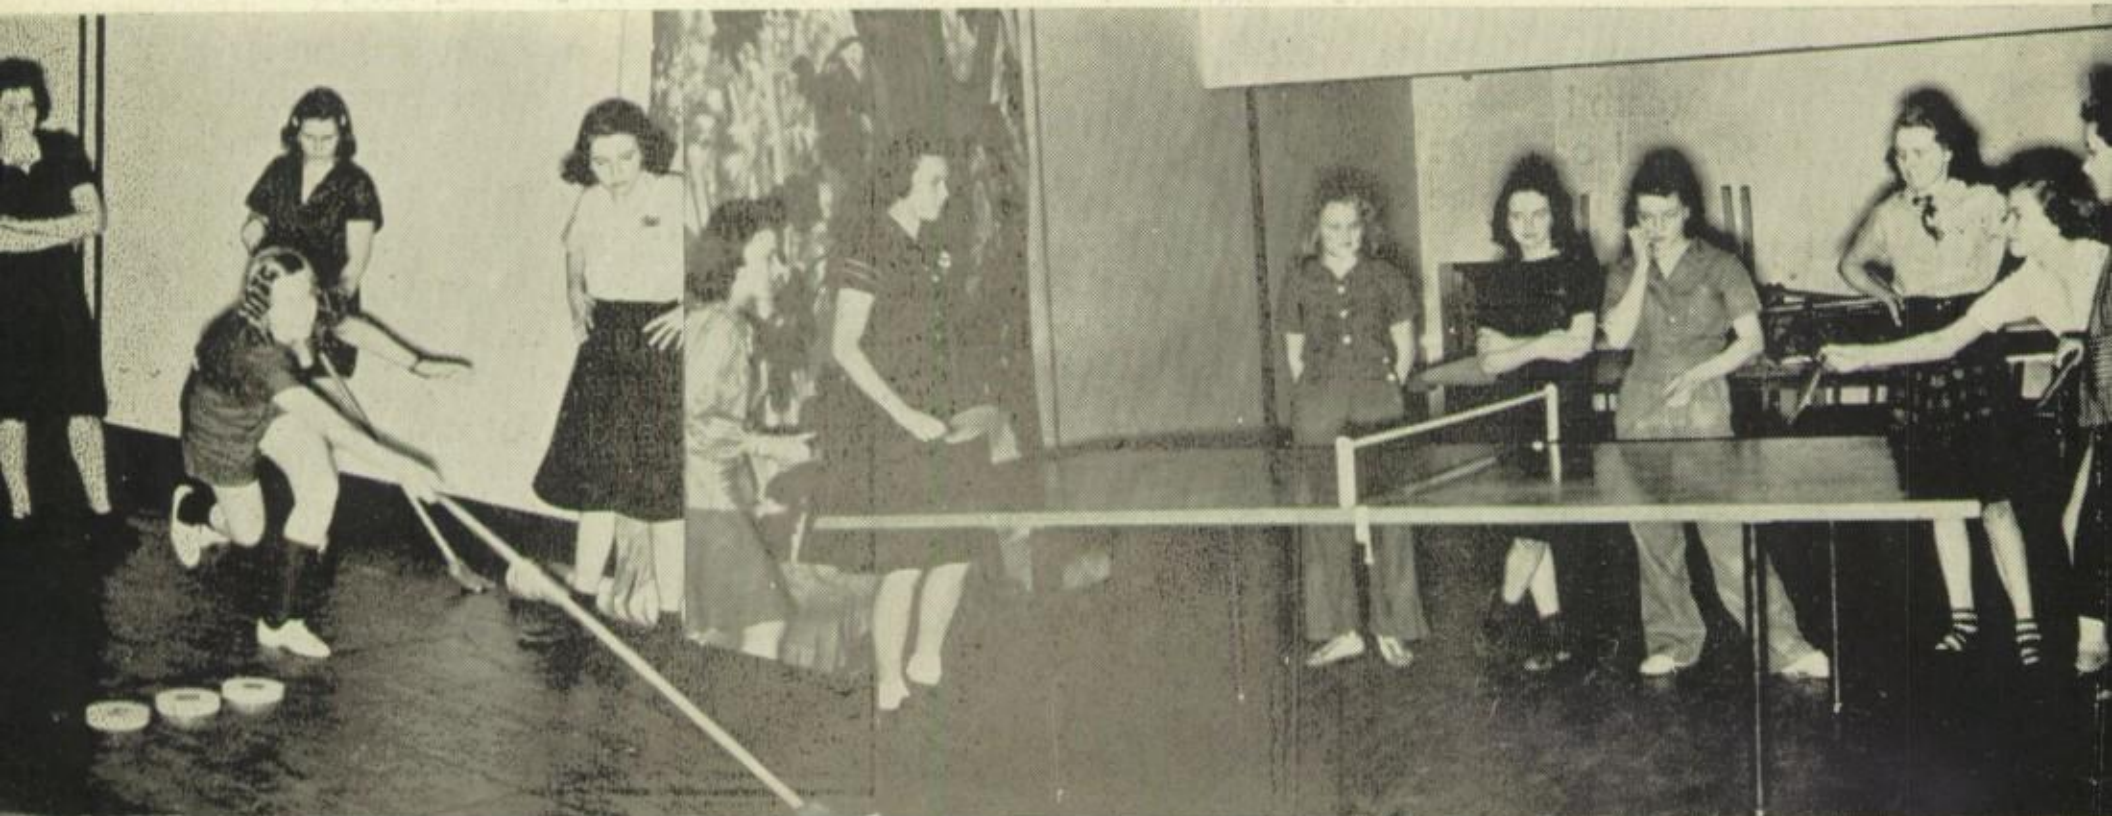

Earning a GAA monogram involves nearly two years of active participation in athletics, while the second award calls

for between 3 and 4 years of work.

We receive one hundred points for each activity in which we participate, with an extra twenty-five given for outstanding ability. Extra points are earned by participation in unorganized activities such as ping pong and badminton. Our ping pong tournament presents another opportunity for nearing our one thousand point goal.

A GAA letter means a lot to us; it's the climax of our athletic career, the goal toward which we've been working. But more to us than the tangible reward, a monogram, are those things which we have gained which were not presented to us before a high school assembly.

By participation in athletics we've

learned to give and take, to accept responsibility, to accept a decision as final regardless of personal opinion. By participation in athletics we've earned what we consider an invaluable asset—a spirit of true sportsmanship.

Sponsoring both social and athletic activities, we members of GAA constitute an organization devoted to service and sportsmanship.

An executive board of fourteen members manages not only our athletic activities, but our social and financial as well. A resourceful organization, we finance all of our activities from the sale of candy and ice cream at the athletic contests.

We sponsor six major athletic activities. Our first, a relatively new sport here, is speedball. Introduced a few years ago, speedball has grown to be a popular activity.

With the coming of winter, we begin our basketball season. An exceptionally popular sport, basketball spurs up much interest in GAA members.

Tumbling, everyone's favorite, calls for more skill than does any other sport. Our tumbling squad, this year consisting of seventeen members, gave a high school assembly program as a climax of the season.

With the close of tumbling season

comes volleyball. We like volleyball almost as well as basketball; and we participate with enthusiasm in both.

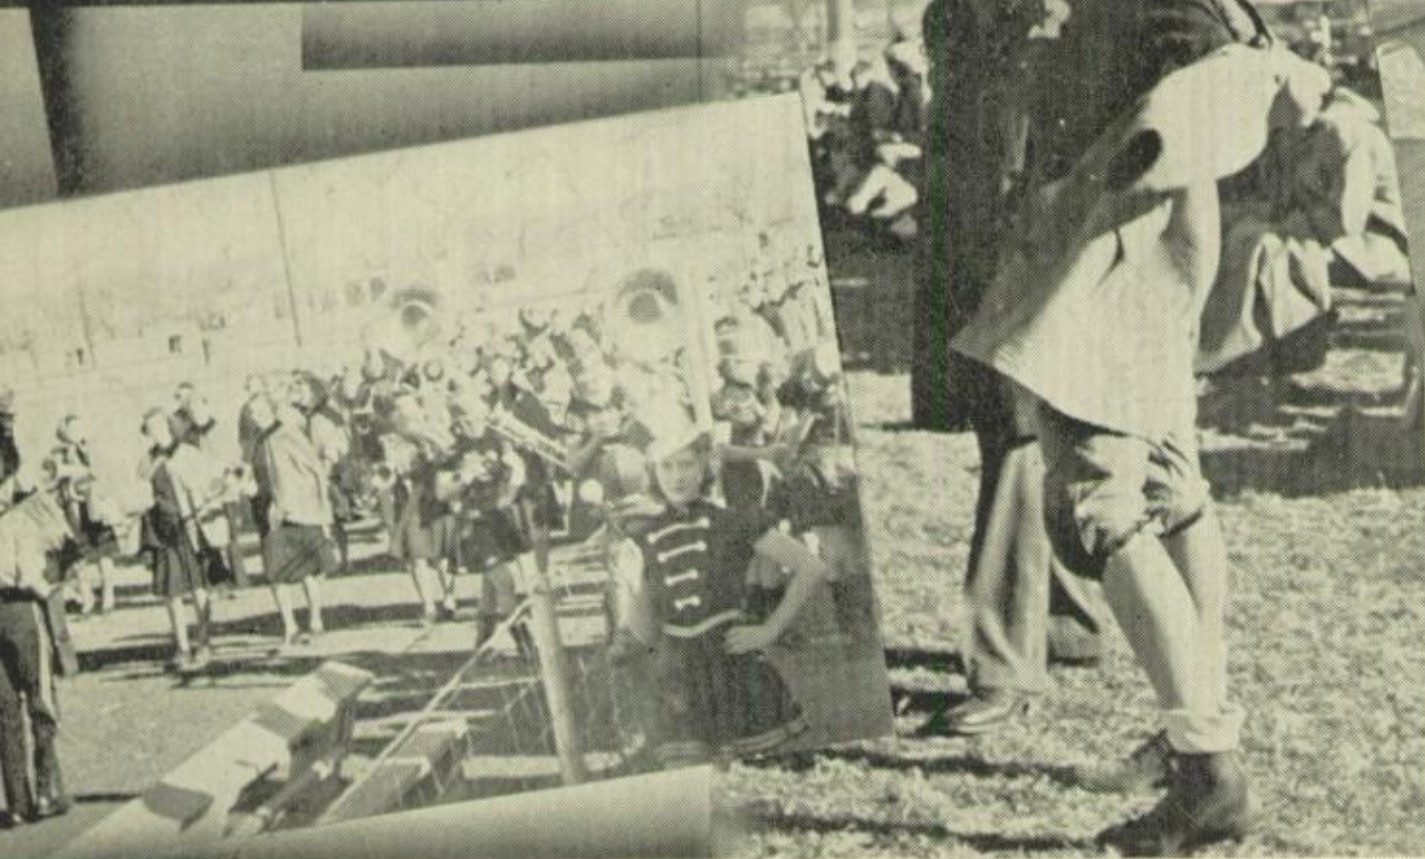

The advent of spring turns our thoughts to track and softball, our twin sports, alternating them each afternoon after school.

Throughout the school year, we play such games as ping pong, badminton and shuffleboard, and during the past two years we have had a special short season devoted to them.

Though we are an athletic association, our interests are also social. Three major social events color our calendar each year: our picnic, our banquet, and our dance. This year, however, we have had several small parties in addition.

Because our diet of athletic and social activities is well balanced, we feel that we are truly carrying out our objectives of athletic sponsorship, true sportsmanship and school service.
